LONDON TOUR MAP

CITY OF LONDON

This tour starts above Tower Hill Underground station, on a viewing platform overlooking the Tower of London. The tour is roughly three miles long and will take 90 minutes or more.

Listen to Track 1 on the viewing platform; this tells you how the tours work – and where to go next!

Start each track when you reach the corresponding Audio Point, so listen to Track 2 when you reach Audio Point 2, and so on

Be aware of your surroundings as you walk – we recommend that you do not take these tours after dark
